- *Knowlo Transnational Project Meeting in Riga on 13th & 14th June 2022 at The International College of Cosmetology*

What is Knowlo?

The second face-to-face meeting took place in Riga (Latvia) on the 13th and 14th of June 2022.

Partners started a discussion on the survey results and the SMART model and other additional existing methodologies. A possible self – assessment tool / platform was also presented.

All partners agreed on next steps and tasks to be done.

KNOWLO In Short

KNOWLO is an Erasmus+ funded KA-2 Project, that is aimed to develop a framework which will help traditional higher educational & vocational educational organizations to transform into modern & smart learning organizations effortlessly, by incorporating the principles & methodologies developed under this project aimed to help learning organizations.

- To boost the innovative potential in vocational education
- To provide a new and innovative system and methodology for training/learning and sharing which can stimulate vocational education, adult education
- To provide the possibility to think out of the box by sharing/learning innovative ideas and methods from other types of educational organizations (universities, elementary schools, private adult education providers, etc)
- To help the educational organizations create an environment of excellence and become the Learning Organizations
- To enhance the human capital in Learning Organizations
- To help the Learning Organizations to network with other similar thinking organizations across Europe
